

Arthur Products Co is seeking a motivated individual to work full-time in our Medina manufacturing facility producing products for the Industrial and Sewer Cleaning Industries and the Bottling Industries. Having experience in machines, both manual and or CNC, or small part drilling is desired but **the ability to learn and develop skills** through on-the-job training is most important.

**General Duties will include but are not limited to:**

- Follow instruction(s) from supervisor to perform manufacturing tasks
- Learn all aspects of manufacturing from production to completion of product
- Maintaining the quality and upkeep of manufacturing equipment on a day-to-day basis
- General building maintenance
- Maintaining proper storage for raw material and completed product
- Assemble and prepare product for inventory and or shipment
- Maintaining clean and orderly work areas, returning supplies and tools to proper locations.

**Experience Requirements:**

- Physical ability to compete job duties including but not limited to
  - Standing for long periods of time
  - Working in a space that lacks air conditioning
  - Lifting to and including 50 pounds
- Strong technical and mechanical skills.
- Ability to follow directions accurately
- Strong written and verbal communication skills
- Ability to work in a small team environment or alone
- Ability to be punctual and have reliable transportation to work.
- Must be 18 years of age

**Pay: \$14.00-\$19.00**

**Job Type: Full Time**

**Benefits after 30 work day probationary period**
